*** The discount rate specified in the protocol is applied to members of professional organizations that have a cooperation protocol with Toros University for Postgraduate Education programs. A 10% discount is applied to students who graduated from Toros University and to Toros University permanent staff. Scholarships cannot be combined, the highest scholarship rate earned is applied.

**** If the number of final registrations in the programs is below five (5), the program will not be opened.

FOREIGN NATIONAL, KKTC CITIZEN AND HORIZONTAL TRANSFER QUOTAS ARE INCLUDED IN THE SPECIFIED QUOTAS, AND IF THE FOREIGN NATIONAL, KKTC CITIZEN AND HORIZONTAL TRANSFER QUOTAS ARE NOT FULL, THEY WILL BE TRANSFERRED TO THE TURKISH CITIZEN QUOTAS.

IMPORTANT INFORMATION: *Except for non-thesis master's programs, it is not possible to enroll and continue in more than one graduate program at the same time. In addition, education periods have been rearranged and regulations regarding dismissal have been introduced. Basis Official Gazette Date: 20.04.2016 Official Gazette Number: 29690 Click (Ctrl+click for link) to see the Regulation on Postgraduate Education and Training Regulation.*

IMPORTANT INFORMATION: *If the Scientific Preparatory Program is applied, a fee of 5.747 TL per credit of each course taken is paid. After the Scientific Preparatory Program is completed within one year, the tuition fee determined for that year is also paid during the registration renewal period for the master's program. Students who do not complete the Scientific Preparatory Program within one year will be dismissed.*

(Note: Those who enrolled in any non-thesis master's program after February 6, 2013 and graduated from this program cannot apply to doctoral programs with a master's degree.)

Please see the “SUCCESS CRITERIA REQUIRED FOR APPLICANTS” below.

SUCCESS CRITERIA REQUIRED FOR APPLICANTS

Master's Degree with Thesis

- Candidates who want to apply for Master's programs with thesis must have at least 55.00 points from ALES in the score type of the program they will apply. (A score equivalent to at least 55.00 ALES score must be obtained from internationally recognized exams that are considered equivalent to ALES by the Interuniversity Board).
- In applications for postgraduate programs, ALES is not required for graduates with a doctorate/artistic proficiency/medical specialization/dentistry specialization/veterinary medicine specialization/pharmacy specialization. Regardless of the score type or specialization field at the time of entry to the postgraduate program they graduated from, candidates' ALES scores are included in the calculations as 55 regardless of the score type.
- These applicants may apply in a field different from the type of score or doctorate/proficiency in art/specialization field they previously received.

Non-Thesis Master's Degree

- ALES is not required for non-thesis master's degree applications.

Doctorate/PhD

- The following success criteria are required for candidates wishing to apply to doctoral programs.

- **For applicants with a bachelor's degree:**
 1. To have at least 80.00 points from ALES in the score type of the program to which they will apply. (Students must have a score equivalent to at least 80.00 ALES score from internationally recognized exams that are considered equivalent to ALES by the Interuniversity Board).
 2. Undergraduate graduation grade point average of at least 3 out of 4 or equivalent.
 3. It is mandatory to get at least 55 points from the central foreign language exams accepted by the Higher Education Council and international foreign language exams whose equivalence is accepted or an equivalent score from international foreign language exams whose equivalence is accepted by ÖSYM, and the legal validity period of these scores is taken into consideration.
- **For Applicants with a Master's Degree:**
 1. To have at least 55.00 points from ALES in the score type of the program they will apply for (Students must have a score equivalent to at least 55.00 ALES score from internationally recognized exams that are considered equivalent to ALES by the Interuniversity Board).
 2. ALES is not required for doctorate/proficiency in art/specialty in medicine/specialty in dentistry/specialty in veterinary medicine/specialty in pharmacy graduates to apply to the doctorate program. Regardless of the score type at the entrance to the graduate program or specialization area, the ALES scores of the candidates are included in the calculations as 55 regardless of the score type.
 3. These applicants may apply in a field different from the type of score they previously received or doctorate/proficiency in art/specialization field.
 4. It is mandatory to get at least 55 points from the central foreign language exams accepted by the Higher Education Council and international foreign language exams whose equivalence is accepted or an equivalent score from international foreign language exams whose equivalence is accepted by ÖSYM, and the legal validity period of these scores is taken into consideration

IMPORTANT NOTE: Those who enrolled in and graduated from any non-thesis master's program **after February 6, 2013** cannot apply to doctoral programs with their master's diploma.

APPLICATION SCHEDULE

Preliminary Application:

Candidates can edit the **candidate application form** and make a preliminary application from the university announcements section at (<http://www.toros.edu.tr>) between **December 23, 2024** and **January 27, 2025**.

Completion of Applications:

Preliminary applications will be made online, and the application form and required documents will be submitted during final registration.

Application Date:

December 23, 2024 – January 27, 2025

Application Address:

Toros University, Institute of Postgraduate Education, 45 Evler Campus, Bahçelievler District, 1839 Street, No:15- 33140, Yenışehir/ Mersin

Location:

Toros University, Institute of Postgraduate Education, 45 Evler Campus, Bahçelievler District, 1839 Street, No:15- 33140, Yenışehir/ Mersin

SCHOLARSHIPS

For PhD Programs and Master's Programs with Thesis:

A 100% scholarship will be given to 15% of the students who register for each program, and the scholarship evaluation will be applied as follows.

<i>Doctoral Program Scholarship</i>	
<i>Evaluation Criteria</i>	<i>Evaluation Rate</i>
<i>Average of Scientific Examination and Interview</i>	<i>%30</i>
<i>Master's Degree Grade Point Average (GPA)</i>	<i>%10</i>
<i>ALES Equal Weight Score</i>	<i>%50</i>
<i>Foreign Language Score</i>	<i>%10</i>
<i>Among the students who have registered, 100% scholarship will be given to 15% of the students with the highest score according to the ranking from the highest score to the lowest score obtained by applying the evaluation rates. In case of equal candidate success scores, having published is preferred.</i>	

<i>Scholarship for Master's Programs with Thesis Evaluated Based on Application Documents</i>	
<i>Evaluation Criteria</i>	<i>Evaluation Rate</i>
<i>Undergraduate Grade Point Average (GPA)</i>	<i>%50</i>
<i>ALES Equal Weight Score (for social science programs)</i> <i>ALES Numerical Weighting (for science programs)</i>	<i>%50</i>
<i>Among the students who have registered, 100% scholarship will be given to 15% of the students with the highest score according to the ranking from the highest score to the lowest score obtained by applying the evaluation rates.</i>	

Scholarship for Master's Programs with Thesis Evaluated based on Face-to-Face or Online Interview	
Evaluation Criteria	Evaluation Rate
ALES Score	%50
Undergraduate Grade Point Average (GPA)	%50
Among the students who have registered, 100% scholarship will be given to 15% of the students with the highest score according to the ranking from the highest score to the lowest score obtained by applying the evaluation rates.	

EXPLANATIONS :

- 1) Master's degree with thesis is a package program fee and covers a period of 2 years (4 semesters). At the end of 2 years (4 semesters), the student who has not completed the courses + seminar is dismissed. At the end of 2 years (4 semesters), students who complete the courses+seminar and only have a thesis study pay an additional fee for each semester for 1 year (2 semesters) after 2 years (4 semesters). Students who do not complete their thesis studies within this period are dismissed.**
- 2) The non-thesis master's program is a package program fee and covers a period of 1.5 years (3 semesters). Students who do not complete the courses + project work at the end of this period are dismissed.**
- 3) Doctorate is a package program fee and covers a period of 4 years (8 semesters). At the end of the 4-year (8 semesters) period, an additional fee is paid for each semester for the remaining 2 years (4 semesters).**
- 4) Those who apply with a Master's degree with thesis and who have not completed the credited courses will be dismissed at the end of the 2-year (4 semesters) period, and those who apply with a Bachelor's degree will be dismissed at the end of the 3-year (6 semesters) period.**
- 5) Students who successfully complete their credited courses, are successful in the proficiency exam, and whose thesis proposal is accepted, but cannot complete the thesis study until the end of 6 years (12 semesters) for those who apply with a Master's degree with thesis, and 7 years (14 semesters) for those who apply with a Bachelor's degree, are dismissed.**
- 6) A 5% advance discount is applied to those who pay the full package program fee within the registration period (Advance discount is not applied for payments made by credit card).**

SCIENTIFIC PREPARATION COURSE	FEE
ALL PROGRAMS	5,747 TL. (PER CREDIT)
<u>Scientific Preparation Course:</u> 1. Students who will take scientific preparatory courses after final registration pay the tuition fee per credit in addition to the regular tuition fee of the programs. Students who complete the scientific preparation program pay the tuition fee of the graduate program determined for that year. 2. Postgraduate Education and Examination Regulation Article 10/(4) The maximum duration of the scientific preparation program is 1 year (2 semesters). This period cannot be extended except for semester leaves and the student who is not successful at the end of the period is dismissed. The time spent in this program is not included in the duration of the master's or doctoral program. NOTE : Students who do not complete the Scientific Preparatory Program within 1 year (2 semesters) are dismissed.	

FOREIGN STUDENTS	FEE (VAT INCLUDED)
Business Master's (Thesis) Program	170.000,00 TL.
Business Master's (Non-Thesis) Program	160.000,00 TL.
Business PhD Program	180.000,00 TL.
International Trade and Logistics Master's (Thesis) Program	170.000,00 TL.
International Trade and Logistics Master's (Non-Thesis) Program	160.000,00 TL.
Psychology Master's (Thesis) Program	250.000,00 TL.
Civil Engineering PhD Program	180.000,00 TL.
Civil Engineering Master's (Thesis) Program	170.000,00 TL.
Nutrition and Dietetics Master's (Thesis) Program	170.000,00 TL.
Physiotherapy and Rehabilitation Master's (Thesis) Program	240.000,00 TL.
Architecture Master's (Thesis) Program	240.000,00 TL.
Industrial Engineering Master's (Thesis) Program	170.000,00 TL.
Engineering and Technology Management Master's (Non-Thesis) Program	160.000,00 TL.

Single Payment and Installment Payment by Credit Card

By going to the accounting unit in Bahçelievler Campus, the entire fee is collected in 9 installments without down payment to the credit card. It is collected in 10 installments only with TEB Bank credit card. Installment can only be made with İş Bankası: Maximum-TEB Bankası: Bonus-Akbank: Axess - Vakıfbank: Word-Garanti Bankası: Bonus-QNB Bankası: Card Finans feature credit cards. **No discount is applied** for single payment with credit card.
